How to set up your stage
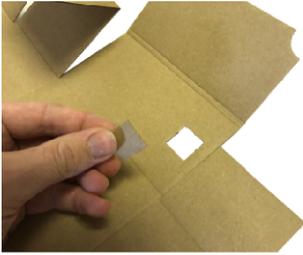

1 Open the lid and remove the contents	**2** Unfold all the flaps and spread out the box
3 Remove the two small square tabs	**4** Fold up the back and one side of the box
5 Push the small flap through the square hole	**6** Repeat this for the other side of the box
7 Position the background as shown	**8** Optionally, remove the top flap
9 Optionally lower one or both sides	**10** Use the flaps in the back to fix the backdrop
